Education

Shri Guru Gobind Singhji Institute of Engineering & Technology, Nanded

2028

B.Tech in Production Engineering

CGPA: 7.0

Technical Skills

Programming Languages: C, C++, Python, Java, JavaScript
Web Development: HTML, CSS, React.js, Next.js, Node.js, Express.js
Backend & APIs: REST APIs, Django
Databases: SQL, MongoDB, SQLite
Tools & Platforms: Git, GitHub, VS Code, Vercel, Render
Core Concepts: Data Structures, OOPs, Basic Operating Systems

Experience

Indian Institute of Technology Delhi (IIT Delhi)

Dec. 2023 – Jan. 2024

Summer Internship

Remote

- Developed a Banking System project using Python, Tkinter, and SQLite.
- Implemented core features such as account creation, deposit, withdrawal, and transaction tracking.
- Designed an interactive GUI with Tkinter to simulate basic banking operations.
- Used SQLite for storing and managing user and transaction data.

Projects

Employee Management Dashboard | *React.js, Node.js, MongoDB* | GitHub

2026

- Built a dashboard to manage employee records with CRUD operations.
- Created responsive pages for adding, updating, viewing, and deleting employee data.
- Integrated backend APIs and database storage for efficient record handling.

AI Stock Agent | *Python, APIs, AI/ML* | GitHub

2026

- Developed an AI-based system to analyze stock-related data and generate insights.
- Processed market information and presented useful suggestions in a simple interface.

LinkedIn Job Recommendation Agent | *Python, APIs, Recommendation Logic* | GitHub

2026

- Created a job recommendation system based on profile and preference matching.
- Filtered and ranked jobs to show more relevant opportunities to the user.

Portfolio Website | *HTML, CSS, JavaScript, React.js* | GitHub | Live

2026

- Designed and developed a personal portfolio website to showcase projects and skills.
- Built a clean responsive UI for desktop and mobile devices.

MV Web Services | *Next.js, React.js, Node.js* | GitHub | Live

2026

- Built and deployed a service-based website for online presence and lead generation.
- Created a modern interface with clear sections for services and contact.

Achievements & Certifications

- Completed a 100-hour Web Development course [View]
- Participated in a National Level Hackathon
- Completed Internship at IIT Delhi [View]
